To meet the constantly increasing growth of the student body, our campus was graced with expansion this year in the form of a new classroom building. The addition provided CCC and TI students with a new advancement laboratory and much needed classroom facilities.

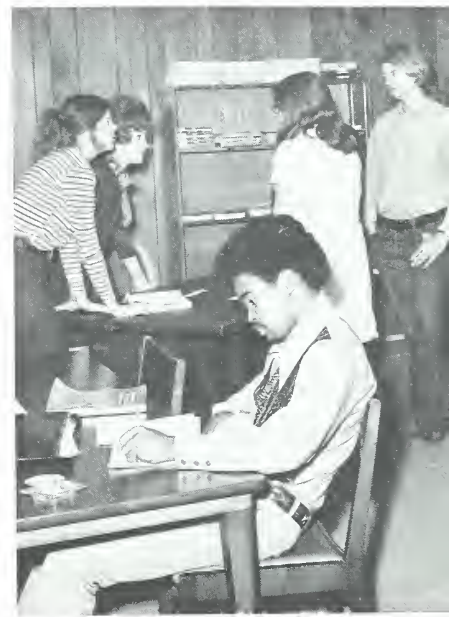

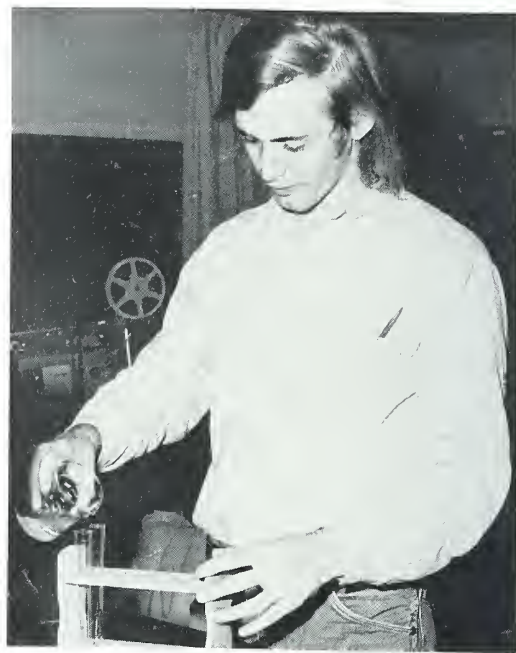

Members of the administration and faculty weren't busy and gruff all the time. Just like students, they, too, took time to enjoy themselves and relax.

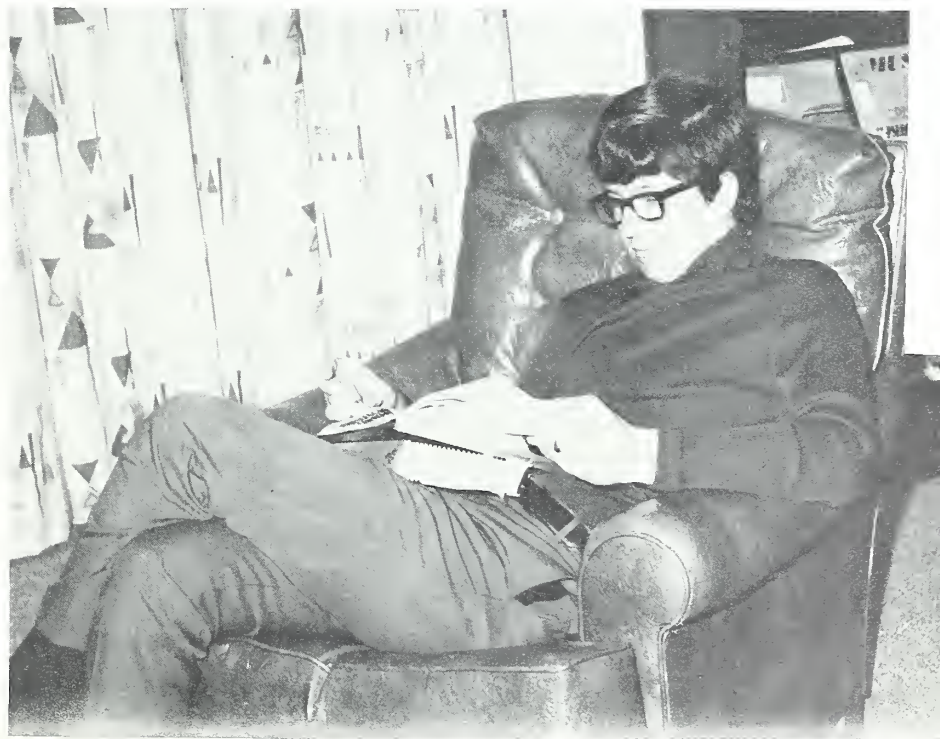

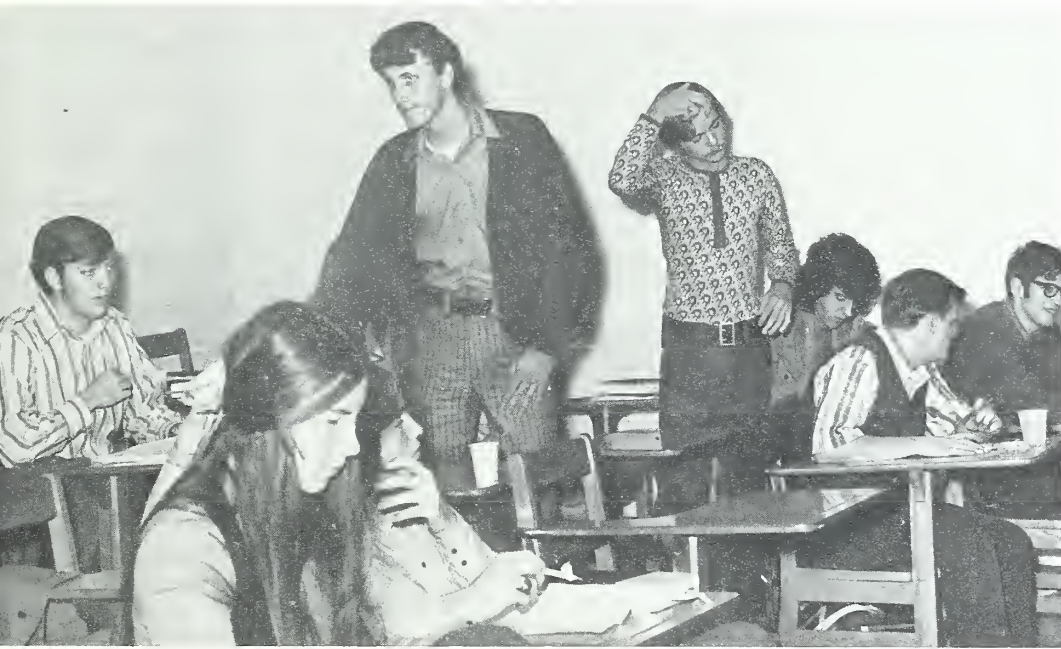

We gathered to chat, to argue,
to study, and to share quiet moments.
Together we formed friendships that will
weather trials of time and distance.

Interaction in classes,
knowledge gained in laboratories,
pressures of exams, and solitude in the library.
all served to make us students and
prepared us to take a place in life.

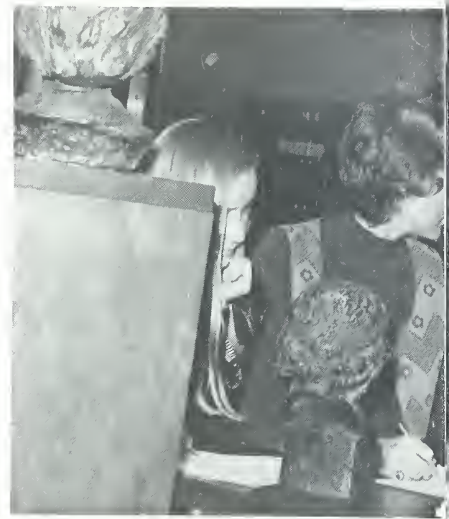

Functioning as one, we were active in organizations, each making contributions to CCC and TI. Relationships between students and faculty sponsors were deepened and students again met the challenge of a well-rounded education.

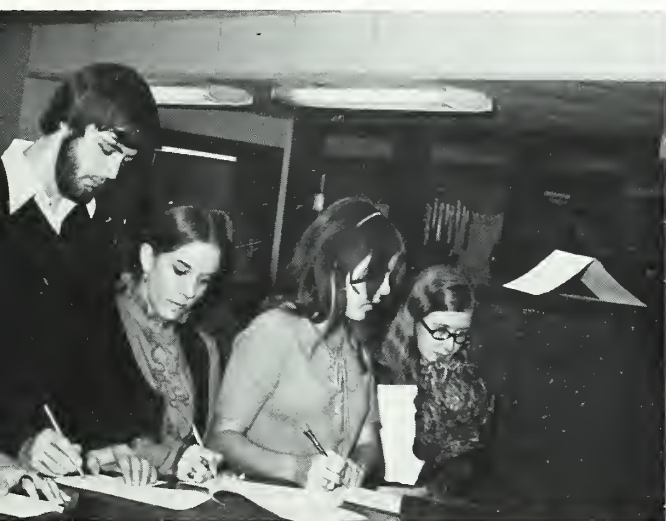

Unity was found when we took an active part in campus sports. Competition taught us grace in victory as well as in defeat.

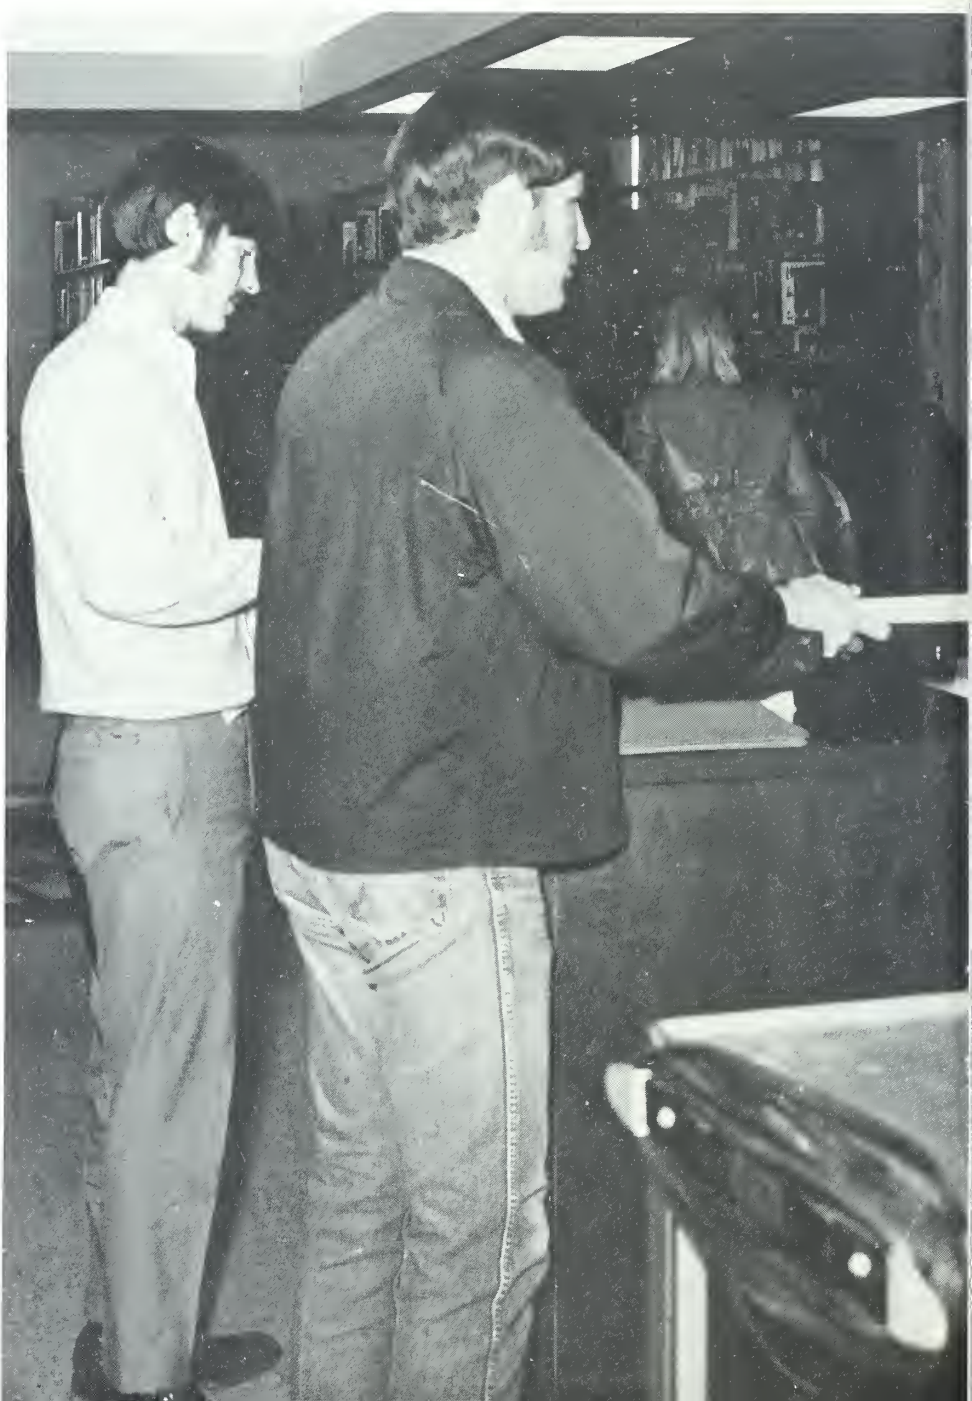

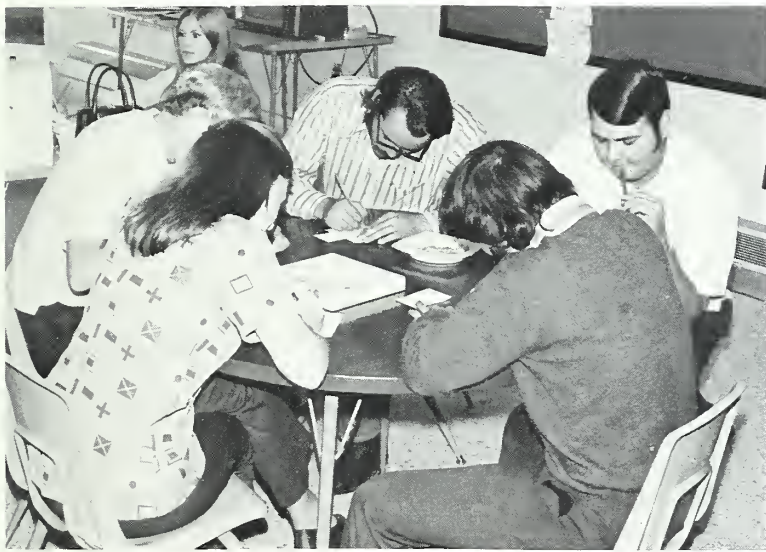

A painful and trying year is over
for us; yet, we'll return next
year with hopes of becoming
greater individuals.

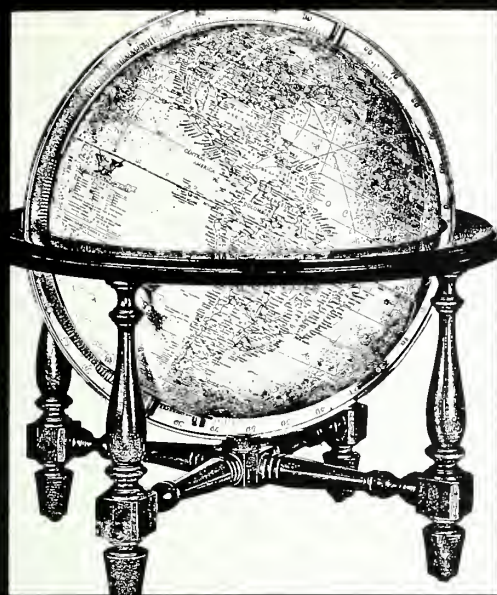

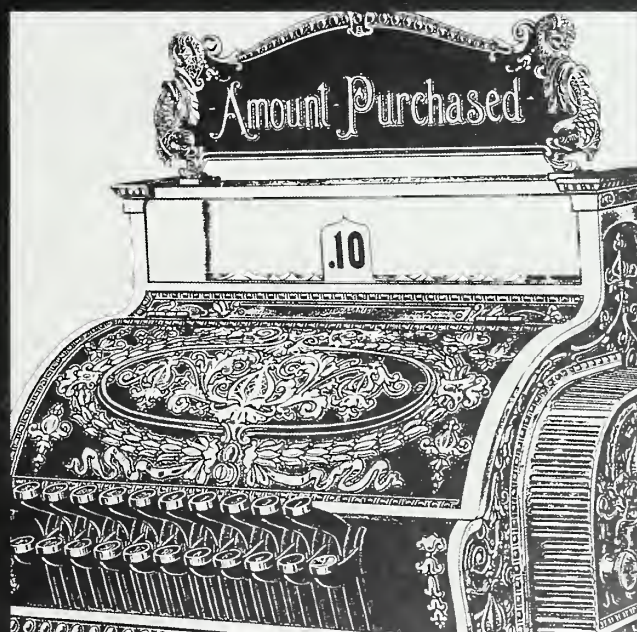

We will be leaving CCC and TI soon taking cherished memories with us as we approach our new futures.

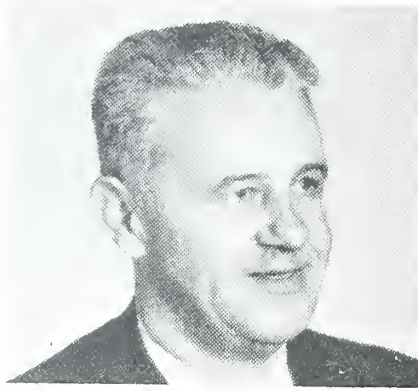

ADMIN. AND FACULTY

IN MEMORIAM

Mr. C. W. Porter, age 66, died March 8, 1971. Mr. Porter started his career in education as a teacher and coach and became principal at Lenior High School and later at Collettsville. He went into military service as a second lieutenant and retired with a physical disability as a lieutenant colonel. He did his undergraduate work at Duke University where he was an outstanding football player. He received his M.A. degree at ASTC.

College students working as garbage collectors? A Nationwide Earth Day campaign promoting ecology was greeted with enthusiasm by the student body. Litter was collected and properly disposed of. The results: Tired students and improved landscape in Hudson. Pictured above are the collectors. 1. Seated from left to right are Marta Grady, Sue Kelly, Monteen Haas, and Robert Grady. Standing left to right are Dr. Beam, Mike Pearson, Tony Deal, Jim Sullivan, Dennis Whittington, G. J. Havnear, Brian Crisp and Sherrel German.

Spring Dance

Last May the "Reggie Sadler Revue" performed on campus at the spring dance sponsored by the Student Government Association. Students used the occasion to get away from class routine. Dr. Beam presented Tony Lee with a trophy for suggesting the title "Cavaliers" for the school mascot.

2

4

Spring Fling

Students and faculty members suffering "spring fever" were given the opportunity last May to have a fling at spring-thus, the first annual "Spring Fling." The event was highlighted by social events and games where everyone emerged a winner.. well, almost everyone.

Open House

More than 1,500 area residents attended Open House held here last May. Visitors to the college were welcomed at a reception by Dr. Beam, President. Later, visitors had the opportunity to visit the Data Processing Department, and the Nursing Department. The event was capped by a fashion show emceed by Mrs. Hazel Lippes of the Department of Continuing Education.

Graduation 1971

Years of hard work and study were rewarded as 127 members of the class of 1971 received their diplomas in August. Marshalls Sheila Reid, Dixie Poarch, and Glenda Byrd helped the class during rehearsal before leading them in the graduation procession. Mrs. Inez Clay was presented the Caldwell County Medical Society Award during the ceremonies. State Senator Dave Flaherty of Lenoir addressed the graduates.

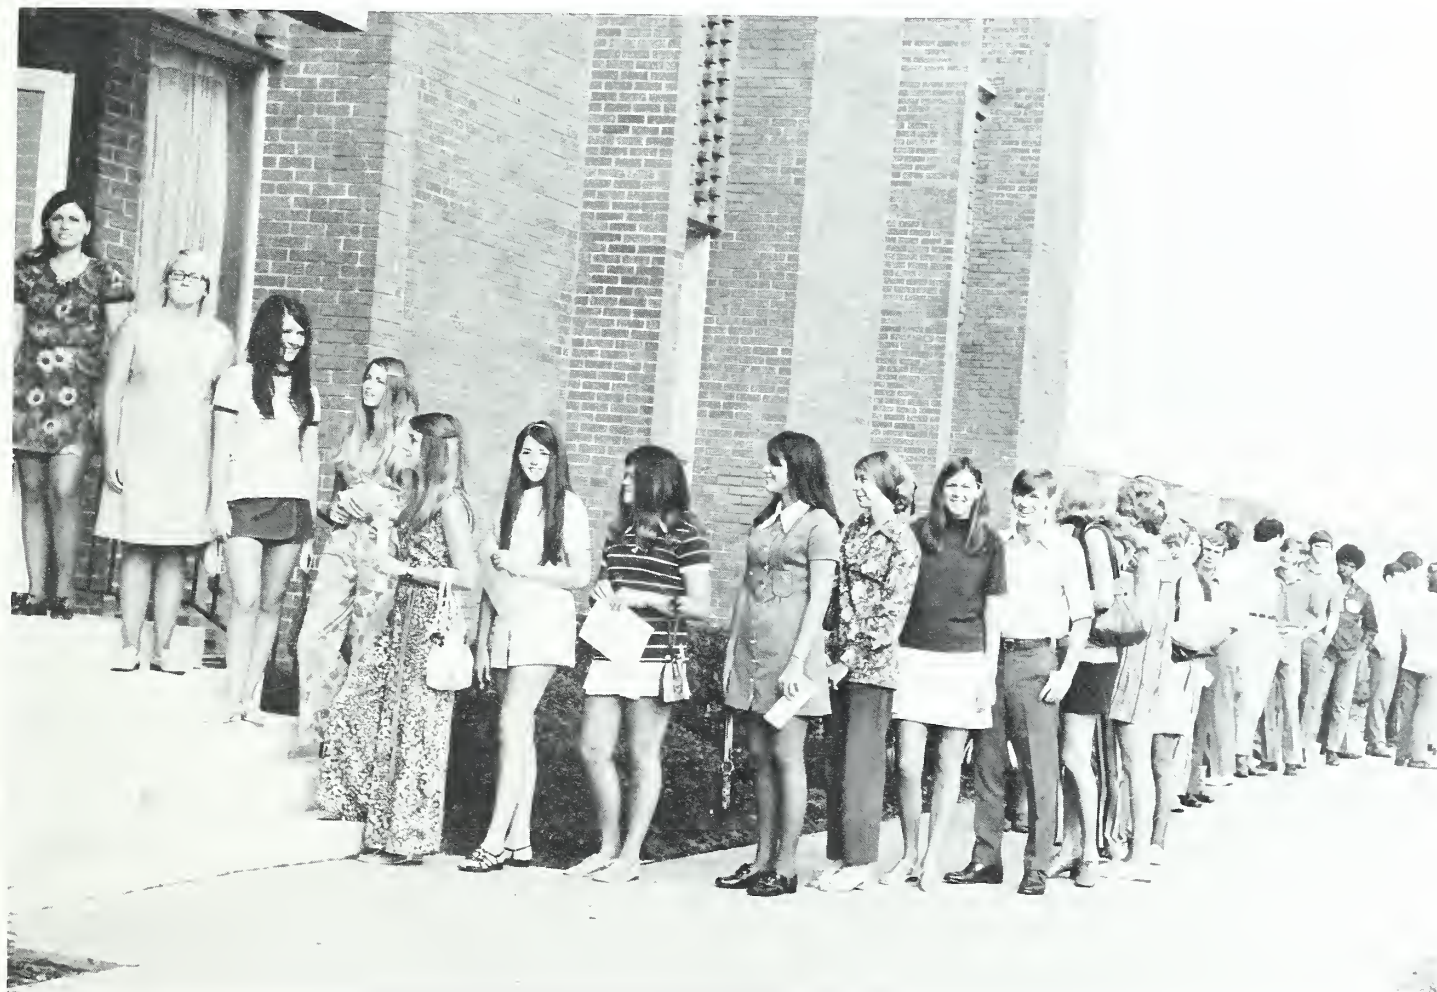

Pictured at left is Dossie Watson, nursing student at Banner Elk, who was named the Outstanding Student of the Year.

A pleasant summer comes to a sudden end for students and faculty with a hectic Registration Day for the fall quarter. Patient waiting helps ease the frustration and, of course, there is a smile for everyone at the end of the line.

Fall Quarter Dance

"Phoenix" provided the entertainment for the Fall Dance and from the midst of it all emerged a new Mis CCC-Karen Bush. Miss CCC was crowned by SGA President Jim Sullivan before a crowd of nearly 200 onlookers. The Fall Dance marked the end of the fall quarter for CCC and TI students prior to exams and the Thanksgiving Holidays.

Winter Quarter Dance

Vivacious Vickie Taylor was crowned Christmas Queen during the Christmas Dance, December 19, 1971. The pretty new Queen received a dozen roses and the crown from Elaine Ferguson the 1970-71 Christmas Queen. The "Peace Core", a popular area band, provided the entertainment for those student body and faculty members present at the dance. The dance and the crowning of the new Queen was the beginning of Christmas holidays for CCC and TI students.

SPORTS

Basketball 1971-72

1971-'72
Basketball

The CCC & TI Cavalier cagers, resplendent in new uniforms, battled competitively this year, despite finishing the season with a 3-12 record. Under head coach Thomas Peterkin, the Cavaliers were led by Montie Melton, Marty Clark, Allen Yount, Mike Yount, G.C. Trivette, Roger DeHart and Bill Spencer. When basketball season rolls around next year, the Cavaliers should be winners with added experience and new personnel to aid the returning stars.

Library Technology

The Library Technical Assistant program is designed to prepare persons for employment in various types of libraries, public schools, hospital, government, and industry. The curriculum provides a background of general education and basic library skills to prepare interested students to enter library work above the minimum clerk status. It also introduces a variety of library experience into which a trained person may enter, suiting abilities to the particular job.

Adult Basic Education is provided for men and women eighteen years of age and older not currently enrolled in a public school. Its purpose is to improve the economic and social standing of adults in the community. Persons enrolled may be learning to read and write, or they may review English, math, social studies, or science; however, the main objective of this program is to raise adults to the educational level required for attending the adult high school classes.

The 1971-72 school year rapidly draws to a close with the coming of Spring.

Exams are to be taken and transfers or new jobs arranged. Everyone hurries, taking care of last minute details.

Next year there will be new faces in our classroom and lounge seats. There will be parties and dances, test and grades, a new group of shy freshmen.

We gather our friends to day good-bye.
We close our books and turn to new interest.
We fade with cherished memories . . .

Being editor of the Cavalier has been a very difficult and laborious job. It was indeed a painful and frustrating job but in the end the happier moments seemed to out-way the bad. The word deadline meant rushing, running, confusion, crying, and finally, relief when the last deadline was mailed.

I would like to extend a special thanks to Mr. Lewis Reece, the photographer; and Mr. Al Dexter, our yearbook representative. Their help and support was greatly appreciated.

A lot of hard work, and long hours went into the yearbook. We tried to present in pictures and words what happened in '72; and we hope you will enjoy reading the '72 Cavalier.
